## The Gemini Quick-Start Guide: 10 Power Prompts

Unlock the power of AI to streamline your social media and productivity.

### How to Use This Guide:

1. **Copy & Paste:** Copy the bolded text into [Gemini](#).
2. **Fill in the Brackets:** Replace the [text in brackets] with your specific business details.
3. **Iterate:** If the first result isn't perfect, tell Gemini: *"Make it shorter"* or *"Make it more professional."* or *"Make it funny"*

### For Social Media Management

- **The 30-Day Architect:** "Help me build a 30-day social media content calendar for a [niche]. Create a table with date, headline, platform, and a brief visual description."
- **The Viral Scriptwriter:** "Write a 30-second Reel script about [topic]. Include a hook in the first 3 seconds and a clear CTA at the end."
- **The Repurposing Engine:** "I have a blog post about [topic]. Help me 'atomize' it into 5 Twitter threads and 3 Instagram carousel outlines."
- **The SEO Genius:** "Generate 10 high-search keywords for a video about [topic] and write 3 click-worthy titles using them."
- **The Ad Optimizer:** "Write 5 versions of ad copy for [product]. Use different hooks: one FOMO-based and one problem/solution-based."

### For Business Productivity

- **The Brand Voice Alchemist:** "I will provide writing samples. Analyse my tone, then rewrite this description: [insert text] to sound exactly like me."
- **The Strategy Translator:** "Here are my stats: [insert data]. Act as a strategist and give me 5 actionable steps to increase my conversions this month."
- **The Crisis Specialist:** "A customer left a frustrated comment about [issue]. Draft three response options: empathetic, professional, and humorous."
- **The Habit Designer:** "Help me craft a 21-day [Topic] Challenge workbook with a daily checklist and weekly reflection prompts."

- **The Image Engineer:** "Expand this idea: **[basic scene]** into a detailed AI image prompt including lighting, style, and colour palette."

**Pro Tip:** Treat Gemini like a talented intern. The more context you give it (who your audience is, what your goal is), the better the results will be!
